Perhaps the era of the so-called popular, modern "mannish" young women is passing; dress styles are reverting to more feminine lines; sex education, which held out such high hopes during the last twenty years, is recognized as a failure in solving marital difficulties; the heroines of novels are no longer clothed in masculine characteristics. Maybe the time has come when women will turn from being imitators of men to a recognition of their own purpose in life, without becoming too dependent, too feminine.

To preserve the hot water bag, rub it often with glycerine; the rubber will keep in good condition and will not crack.

When boiling pudding in a cloth, first put an old plate in the bottom of the saucepan to prevent the pudding from burning or sticking to the pan.

Those who are supervising the education of young women, today, stress the necessity of a change from the undervaluing of family and marriage and the disregard of maternal instinct.

DO YOU EVER find it inconvenient to do your own shopping, or is it ever impossible for you to get into town to act on the impulse created by the enticing advertisements that you read?

THE conversion of the two daughters of the retiring Japanese Ambassador to Belgium and new envoy of Japan in Paris, adds to ranks of recent Japanese diplomatic converts. Miss Fusako Sato, 24 years old, and Miss Mitsuko Sato, 19, were baptised and confirmed in Brussels by His Excellency, the Most Rev. Clement Micara, Apostolic Nuncio to Belgium. Both young ladies have been students at the college of the Madames of the Sacred Heart in Brussels. The older sister spent nine years at the Academy conducted by the same Order in Tokyo. The Ambassador and Mrs. Sato gave full approval to their daughters' conversion. The Holy Father sent a special blessing to the Apostolic Nuncio for the young converts.

Recently a warning was issued to college women that "they are forfeiting their finer senses and ruining their characters by their efforts to attain equality with men," by Dr. Elizabeth Whitney, consultant in mental hygiene at Stanford University.

Miss Anne Dill Gamble, representative of the National Council of Catholic Women on the N. C. W. C. Joint Peace Committee, a member of the executive committee of the Catholic Association for International Peace and chairman of the Association's Latin American Committee, has been making a speaking tour of the South and gave addresses in various parts of Florida in the course of the past month under the auspices of the St. Augustine Diocesan Council of Catholic Women.

Dr. Whitney deplored the effect of the movement for general sex education, charging that it had tended to make sexuality an obsession, and has signally failed in harmonizing the relationships between men and women. "The young girl of today," concluded Dr. Whitney, "must realize that her feminine and emotional qualities must not be stifled in her struggle to equal men mentally and that to stifle these emotions brings nothing but destruction and unhappiness to her life. She must get back to the real valuation of other human beings."

SODALTALK

Recording the Activities of Rochester Parish Sodalities Union

St. Francis Xavier began the New Year with elections. It is a tribute to the capability and zeal of former officers that they were reelected for the coming year. They are: President, Matilda Wetzel; Vice-president, Anita Marra; Secretary, Mary Shaw; Treasurer, Wilhelmina Laemlein. We take this occasion also to welcome Anna Pavlino and Wilhelmina Laemlein as the new representatives of St. Francis Xavier at the Parish Sodality Union Meetings.

The Social Life Committee of Holy Apostles Sodality sponsored a very successful parish dance given in the school hall. It is a fine thing to hear of Sodalists working in the interest of their parish.

Immaculate Conception Sodality is cooperating with a newly formed Mercy Guild in carrying out an apostolic program. The Guild will be made up of Sodalists, young women of the parish and interested parishioners. From the course of action being planned we can guess that the work of the Guild will be indeed a blessed one and its service to the people of the parish whole-hearted and far-reaching.

We were proud to see the picture of one of Rochester's outstanding Sodalists, Miss Rita Kier, prefect of Holy Rosary Sodality, in the January issue of The Queen's Work, the national Sodality publication.

Elmira, N. Y.—At the January meeting of the St. Peter and Paul's Sodality plans were made for a card party to be held in the school hall, Friday evening, January 19.

The Rev. Daniel J. McCarthy, spiritual director of the Sodality, pointed out the duties of the Sodalists and urged all to cooperate in the spiritual and social activities. In his address to the members, he also discussed the influence for good that is exerted by a sodalist both at home and in society.

The officers are: Spiritual director, the Rev. Daniel J. McCarthy; president, Sara Frances Dabco; vice-president, Mary Lynch; secretary, Anna Mae Bernheim; treasurer, Marie White; sacristan, Mary Lochran; publicity committee, Ann Kelly, Marguerite Flinniggin, Mary Fitzgerald and Mary Rose Conway.

East Rochester, N. Y.—Sodalists of St. Jerome's Parish held their regular monthly meeting, Sunday, January 14. All officers were re-elected for this year.

The Study Club met last Tuesday evening at the home of Miss Lucille Smith

Stanford Woman Teacher Decries Sex Education. Sodalists Urged To Enter Contest For 'Best Idea'

Sodalists of the Rochester diocese are urged to enter the Best Idea Contest sponsored by The Queen's Work. Parish and School Sodalists are successfully sponsoring innumerable and varied spiritual and temporal activities. The Queen's Work is anxious to give recognition to such splendid work, and wishes to know about these activities in detail so that it can broadcast its information to the Sodality world. Accordingly, the Queen's Work is conducting a Best Idea Contest. All you have to do to enter is to describe briefly your most successful Sodality project, explaining clearly how the activity is carried on. The project can be one which you have already carried out, one which you are planning for the future, or one which you think feasible and promising for any Sodality. Contestants are divided into two groups: Parish Sodalists and school Sodalists. Two prizes will be awarded in each group, 1st prize, ten dollars and a jeweled Sodality pin; 2nd prize, five dollars and a plain Sodality pin.

Rules of the Contest: 1. Manuscript must not exceed 300 words; 2. State clearly the project and method of the execution; and if it has already been tried, tell with what success; 3. Type your name, address, and school or parish at the top of the first page; 4. Manuscripts must be typewritten on one side of the paper. No manuscript will be returned; 5. The Contest opens January 15 and closes February 15. While it is impossible to like everyone, it is possible to hate no one.
