THE CATHOLIC WORLD OVER

Father Ludwig was a young Do minican friar working in the mission field at Tukien, China. One day last October bandits swooped down on his parish. Knowing that if he held his ground he would be captured, he chose the alternative of temporary flight and hastened to the missions of the Maryknoll Fathers. Later word came to him that it was safe to return. He did to find his church burned and his flock scattered. Vall. antly he again set to work.

rejoices that one more name has been added to the list of Dominican C. Mooney, Director of the Propaga-

bright light can be seen burning. It shines out like a star, far above all the other lights of the city. From the dome of Sacre Coour on Monmartre, that beacon calls the Catholics in the capital to come and worship. In the church the Blessed Sacrament is exposed perpetually During the past year a multitude of souls have been guided by the light to adore the Eucharistic Presence for something like 98,000 hours. Almost fifty percent of this time was suent

Elmira.—"Give to religion the best service of your citizenship; give to your country the best service of your religion!"

With this as their twofold purpose expressed as the chief objective of their multifold activities, approximately 400 women of the Diocese gathered Saturday noon at the Mark Twain Hotel for a luncheon for the chief event of the Board of Directors Meeting of the Rochester Diocesan Council, National-Council of Catholic Women.

Rt. Rev. Msgr. J. J. Lee V. F., who cese, and managing editor of "The brought into prominence by the realso offered the invocation.
