At the present time, he is engaged in a program of such activity, extending beyond the limits of his own parish. Through his efforts, a basketball team was formed at St. Alphonsus Church. Besides this variety of sports, there were several other organizations organized among the younger boys.

One such organization is the church leader in forming the largest Boy Scout Troop of any Catholic Church in the city and the county's leading group from the standpoint of drill work. That a beneficial influence might extend farther among young people, Father Straub was the founder of the new order of Columbian Scouts, a junior order of the Knights of Columbus.

The Rochester University Club of Niagara University will hold its seventh annual Easter dance the evening of Easter Sunday, March 25, in the new ballroom of Columbus Civic Center Building. It was learned last night from committee members in charge of the function.

St. Mary's Boys In Demonstration Show Physical Training

The Second Annual Demonstration of the Physical Education Department of St. Mary's School of West Main Street was given by the boys in their gymnasium, last week. The varied program gave an entertaining and amusing evening to the many guests present.

A military march which displayed alertness to commands and excellent training on the part of the director, was given by the boys of an intermediate group. A free arm movement calisthenics drill was given and it illustrated quick and accurate thinking on the part of the boys as well as good posture and graceful movement obtained through rhythm. The ladder pyramids were demonstrated by the Senior Boys.

A thrilling exhibition of basketball was given by St. Mary's Stars coached by Paul Broetta. This team has won 15 games and lost none, scoring 523 total points in their opponents' 217. They showed an unusual professional training for an amateur team.

Trott Bros. Plan Rebuilding Studio

In accordance with their Golden Anniversary celebration, officers of Trott Brothers, Inc., No. 1120 Mt. Hope Avenue, designers and builders of monuments and mausoleums for cemeteries, inaugurated plans for reconstruction of their plant and studio on the present site.

The old building, now occupied by the firm, is a landmark in the southern section of the city and will be replaced by a structure of modern English architecture. The work shop will be equipped with modern machinery, and the studio, where model monuments and mausoleums will be displayed, will cover 3,000 square feet of floor space, it is expected.

Preparatory to the rebuilding program, firm officers announced the clearance of stock valued at \$50,000 must be made. Removal of the heavy material would involve too great an expense, they said. The Trott Brothers' Company has occupied the present building for fifty years and is one of the oldest firms of its kind in Rochester.

IF YOU'RE ADULT YOU NEED MILK, SAY MOST DOCTORS
AND let us add, MILK
FROM THESE DAIRIES is the purest as well as the most economical health food you can buy!
BY THE HEALTH EDITOR
People accept things as a matter of course long before they become interested in why and wherefore. But often — in the case of food — an understanding of those ways and wherefore builds an appreciation of an article of diet that leads to its wider use. Milk, for example, has always been accepted as an ideal food for infants and children; only in recent years has its value as a food for adults been fully recognized.
Milk Contains All Dietary Needs
Physicians, generally, are of the opinion that milk is a basic necessity of adult life. Its high caloric content has been proved of great benefit in reducing the irritability of persons inclined to be nervous and in promoting calm sleep. Its high vitamin A content is the tonic effect of its fat and its protein and its equal building value is equal to meat. And milk is economical.

Theatre Guild To Offer 'Skidding' In Elmira

Elmira. "Skidding," a presentation of the Catholic Theatre Guild of Rochester, under the direction of the Rev. John S. Randall, will be given here early in April. Final arrangements are being made by Court St. Rita, 137, Catholic Daughters of America who are sponsoring the presentation.

Contraque, go forth like the Apostles, poor, yet bearing with you the riches of faith and hope and the fortitude of charity.
