AS ONE WOMAN TO ANOTHER

FREE GARDEN LECTURES... THE FIRST lecture in the series on "Home Gardening" will be given tonight, April 27, at the Columbus Civic Centre at 8:15 o'clock.

YOU WON'T have to "burn" your furniture now. Buy a "Household Insurance" policy. It will gladly explain and give you the very nominal rates for such insurance, without obligation to you.

A PERMANENT TO-day means your hair will be at its best now and all summer long. It's the "Household Insurance" of what you do... in the hair that favors the sport "All your hair is ever lovely because of its permanent wave."

TOP OFF that dashing hair with a perky hat. Lillian's Hat Shoppe, 147 East Main St. (off Gasconne), has "em-Brim" hats that are up all around... decidedly off-the-face broad sweeping down in front and last but not least... important in the swaggy trim.

IF YOU are one of those lucky brides-to-be before planning the decorations for that new home see Elizabeth's Studio's special rooms at 335 Alexander Street. Joseph Purlong can give you valuable advice on interior decorating... if you'll only give him the chance. Estimates on decorations are made without cost or obligation to you. Main 5759.

SHOES. GENESSE BOOTERY, Brown St. Avenue, sell the famous Vitality shoe. The shoe with the smart styles and comfortable designs. They have the latest shades in Spring foot wear, oiled, tan, brown and the ever fashionable snake skin. Genesse Bootery is open evenings.

RIDING IS not only considered a good sport but the best exercise known. Special classes with special rates are organizing now for this Spring and Summer riding. For timid maidens and matronly women the Hebble Riding Academy have special instructors to give them private lessons. You are invited to visit the stables, on Brown St. Blvd., at any time. Call Oliver 4758 for detailed information, and reservation of horses.

DRESSES. FITZGERALD'S DRESS SHOPPE, 177 Brooks Avenue, have something new and different... washable sand-crope prints and pastel dresses. Never in one and two pieces. Priced from \$4.95 to \$10.95. But the Swaggy suits (\$14.95) are just the thing for the temperamental Spring weather and the last word in fashion.

SOME ONE should know the secret to the sleek fitting dresses that some women wear. Shirley Bushby does. Her properly fitted foundation garments. Don't expect the clerk to perform miracles when fitting your dress. You need a new garment. Shirley Bushby's Dress Shoppe, 177 Brooks Avenue, 123 Burke St. (at Washington), Stone 1667.

EVEN THE hats are taking on that "stream-line" air. The Griffin Hat Shoppe, 164 Sherman St. (off Lyell), are showing these large brim hats in straw, crope and taffeta (and by the way taffeta is the coming thing this Summer). The Griffin Hat Shoppe have but two prices on their hats \$1.85 and \$2.85. Open Evenings.

Superfluities. MANY A MAIDEN blinks sleeveless and backless dresses in the Summer time because she is the victim of superfluities. Charlotte White is ready to help these victims of unwanted hair with her patented permanent method of removing unnecessary hair. No needles used... consequently no scars and no pain. See or write Charlotte White, 222 Cutler Bldg., at once... and you'll be one of the many Charlotte Whites who have helped with her filtered ray treatments. St. 3668.

SUMMER CLOTHES for your children! The Children's House, 293 Alexander St. make clothes to order for your cottons and dimity and organzias. Suits for "Sonny" in broadcloth, linen and glugham. Each dress or suit will be just the right style, color and size because it has been made to order. The Children's House assures you that this method of clothing your children is practical and inexpensive.

ELINOR'S DRESS SHOPPE just received a new line of Spring dresses... Pastel prints, each an individual style. Polka dots and print suits. Elinor's Dress Shoppe has dresses in all sizes and half sizes. And never let the price bother you... if the dress pleases the price is sure to... \$6.50 to \$11.50. 277 Chilli Avenue.

MASSAGE. THERE IS nothing like a massage to chase away that lazy Spring fever. The Swedish Institute of Massage, 523 Case Bldg., (82 St. Paul St.) also recommends massage for reducing "Baby-fat". Send 10c for their booklet "How to Reduce." Phone Main 5583.

FROCKS FOR furniture is the by-word this Spring. Schmitz Furniture Company, 1476 Lake Avenue, make these practical ready-to-use frocks for furniture in most attractive materials and colors. Select your materials and colors from the many samples they have in their show room. Or call Glen, 2100 and have the samples brought to you... free estimates without obligation.

ANTIQUES. ANTIQUES OF descriptions... from wee bits of glassware to huge chests. A rare piece that you will find at The Little Brown Jug, 315 Irving Park Avenue, is a Four-poster solid maple bed. Another hit... is the cherry dressing table. You are invited to see these and many others at any time.

FRESH... from ocean to your dining table... FINEST SEA FOODS... RUSHED to Rochester by express direct from the fishing smacks, Porter SEAFOODS carry the tang and salt of the sea to your table. No fish can be fresher which means that no fish could taste better. PORTER FISH & OYSTER MARKET, INCORPORATED, 204 North Street, Stone 1665.

THE PERFECT hostess gift is... a box of Edith Ellis home-made candy... It's pure, fresh, delicious and tasty... you're sure to stand-in with the hostess if you remember her with a box of such chocolates. Edith Ellis, 85 East Avenue, is noted for the best... chocolates are 60, 90, and \$1.50 a pound.

WHEN YOUR pet chair becomes soiled... wash it with 2 ounces of lukewarm water, 1 tablespoon alcohol; enough mild soap chips to raise a standing suds. Cleanse one small area at a time, overlapping each new section with the last one cleaned.

HAVE YOU made your appointment for that regular week end shampoo and finger wave? If you haven't call the Lill Marie Beauty Shoppe, Main 3770, shampoo and Angerave complete for 60c. Only the best materials used. And while you're under the dryer take advantage of Lill Marie's special... a 35c manicure. 82 St. Paul Street, Room 620-Mary C. Meyers.

BETTY'S APPAREL SHOPPE wants you to be ready when the warm weather makes its final debut... so you'll find a complete line of washable pique and seersucker dresses in Betty's Cases, nothing more prim and true than these washable sport dresses they come in all sizes and styles. And Betty's hats are the crownings touch to anyone's ensemble. (\$1.85 to \$4.95). 508 North Goodman St.

TO REMOVE mildew from white clothes, soak for a short time in a pan of water to which has been added one heaping teaspoon of chloride of lime; rinse and hang out in the sunshine.

IT'S BEING done... entertaining in your own home... because Aunt Jennie's Bake Shoppe, 516 Monroe Avenue, is ready to help the little hostess solve that bake goods problem... with their shoppe full of luscious delicacies... cookies, cakes, and oh! the special this week end is... SODALTALK

Recording the Activities of Rochester Parish Sodality Union

Announcing! The Pigeon Foot lecture to be sponsored by the Rochester Parish Sodality Union on Tuesday evening, May 1, at 7:30, at the store, 77 State Street. Of course you are coming. For every person who attends the Union receives twenty-five cents. We certainly do not receive an offer like that every day. We have heard from people who have attended that it is most interesting. We quote from an interesting letter from Pigeon's confirming the engagement: "In urging your people to attend, let them know that anyone of high school age or over, whether men or women, will be welcome, and all first-timers counted. Also, you cannot stress too strongly the great educational value as well as the entertaining features of the lecture which make it so enjoyable to all who hear it and see the pictures. The thousands of folks who have attended since we began in March, 1931, speak highly of its value in such comments as: 'One of, if not the finest demonstrations we have ever attended; I had no idea it could be so interesting; I didn't believe there was so much to know about feet. What I have learned from the lecture has been worth real money to me and to think that we were paid for coming, in cash, too!'"

With the Springtime, Sodality activities are in full swing. Immaculate Conception Sodality entertained their Mothers at a dinner recently. The program of entertainment was kept a deep dark secret until that evening. Spiritual bouquets for the Mothers were the souvenirs. The Rev. Edward T. Meagher of Our Lady of Good Counsel Church was the guest speaker. Other guests were the Rt. Rev. Msgr. Joseph S. Cameron, the Reverends Leo Smith, Frederic Wise, Hubert Bisky, Roy Haggerty, and Joseph Maloney, the last three being brothers of active Immaculate Sodality. Miss Anne Fenness was hostess of the evening. Misses Mary Skelly and Catherine Maloney were in charge of the dinner and entertainment. The April issue of "Immaculate" is out. It is getting better and better every month.

St. Andrew's Sodality believes in true neighborly Sodality friendship. At a most enjoyable social gathering Monday evening in the new St. Andrew's Clubroom the sodality entertained the St. Ambrose Sodality which has just been organized. Everyone had a good time and there was a friendly atmosphere. A program of singing, tap dancing, and specialty acts provided the evening's entertainment. Refreshments were served. Miniature sodality banners were the souvenirs. Dancing followed the program and great fun was had in using the new ping pong and miniature bowling alley sets. We heartily congratulate the two sodalities.

The Sodality of Our Lady at St. Boniface has organized a debate study club, the first debate having been held Wednesday evening, April 25. The President is Miss Eva Schreiner and Miss Ruth Ray was chosen Secretary. Meetings are held every two weeks.

Blessed Sacrament Sodality held its monthly meeting Monday evening, April 23. Two new committees were formed, Social Life and Membership, the chairmen, Miss Eileen Hayes and Miss Connie De Lettera, respectively. The newsheet, "Flashes," made its appearance. The cover, a drawing of Our Lady, reminds the reader that next month is her special month and we can honor her. A different feature was a cryptogram found on one of the pages. Showing of baby pictures of the Sodality featured the entertainment following the business meeting; refreshments were served.

We appreciate the courtesy of the management of the Palace Theatre in extending an invitation for a Sodality committee representing the Parish Sodality Union to attend the preview of "Sorrell and Son." The report of the committee lauds the picture as well done, while it cannot give its approbation to the ethical point involved, whether love warrants the taking of life to relieve suffering. We hope this preview invitation is a step taken toward the cleaning up of the films.

We urge the Sodality to listen in to the Catholic Hour Sunday at 6 o'clock, Eastern Standard Time, the speaker being the Rev. Daniel A. Lord, S. J., the organizer of the National Sodality. Your interest would be shown by letters sent in to the National Council of Catholic Men, sponsors of this program. You appreciate how much it means to hear from listeners over the radio.

GAVE GENEROUSLY. Davenport, (NCWC). - The Sacred Heart Cathedral and three other Catholic institutions benefit by the will of Mrs. Mary Ann Bernes. The Cathedral and St. Ambrose College endowment fund receive \$1,000 each; St. Vincent's Home, \$500, and the Carmelite Nuns, Mt. Carmel, Bettendorf, \$500.

The Stamp in Mission Work. The insignificant little postage stamp is a practical missionary - it works for God, building chapels, feeding the starving, paying for teachers, etc. It is a universal missionary - it enables even the poorest to give financial help to the missions. All cancelled stamps, preferably on a bit of paper to protect the edges, are useful. Just collect them until you have a pound or more and ship by cheapest way to the Society for the Propagation of the Faith. Inquiries cheerfully answered by REV. LEO C. MOONEY, Diocesan Director, Columbus Building, 55 Chestnut Street, Room 1002.
