City of Elmira

AS REPRESENTATIVES of the People of the City of Elmira and of the County of Chemung, we are happy to join with them in extending a warm welcome and hearty good wishes to the Holy Name Union of the Rochester Diocese upon the occasion of this great religious demonstration. To be host to so large and important a group of Catholic men is a signal honor of which our city is properly proud.

THIS FIRST Holy Name Rally to be held in our midst places upon us an obligation of civic hospitality,—an obligation we accept gladly, confident that Elmira and her citizens can discharge it fully and well. We hope every member of every Holy Name Society gathered here for the rally feels that he is a welcome and honored guest. Only then shall we have fulfilled our intentions in a fitting manner.

WE HOPE, TOO, that the friendly spirit of this city contributes to the success of this significant occasion. Our people will gain much in spiritual stimulation from the presence of these many hundreds of men attending the Holy Name Rally. They share our wish that the City of Elmira may enjoy a permanently high place in the regard of the Holy Name Union members. With these thoughts in mind we say: "Welcome to Elmira!"
