Rochester Centennīal Volume Out This Week

The first volume to assemble and present under a single cover a summary of Rochester's commercial derelopment is being distributed to thousands of Rochesterians this week and to thousands of firms and key persons. in foreign countries. It is the 200page Centennial Volume, published by Rochester Chamber of Commerce as a permanent tribute to the city's business and industrial progress over AMERICAN LEAGUE: ST. STAN-

a hundred years.
With the Rochester Chamber of Commerce as publisher, Miss Vera B. Wilson, publicity director of the Chamber, as editor, O. D. MacNaughton as advertising manager, and Case-Hoyt Corporation as printers, the book s the culmination of five months preparation entailing a vast armoun of research and direct contact with a thousand firms.

The book's cover, in black, silver and terra cotta, embodies a beautiful mural painted by Carl Peters. Frist. The painting portrays the commercial development of the city showing in the foreground an Indian gazing through the century upon the Eardy pioneer who first tilled the soil here, and beyond to the present imposing skyline.

> Current Movies That Violate Producers' Code

(The Queen's Work-Sodality Service)

United Artists. Harrison's Reports states: "Immaoral demoralizing, vulgar, and in bad taste . . . This picture should not be shown anywhere."
