Rochester Diocesan Council of the National Council of Catholic Women

Our members will be interested in the following excerpts from a letter recently received from Mary G. Hawks, former national president of the National Council of Catholic Women, and its delegated representative at the Rome meeting of the Congress of the International Union of Catholic Women's Leagues: "I wish I could see you and tell of some of the people I met and experience I had in Rome. You would love the earnest type who form the leaders of the various Catholic countries. You would have enjoyed with me the Conference of the Children of Mary at the Trinita di Monti, one of the Convents of the Sacred Heart, by Father Sauvage, a Holy Cross Father, who is the director of the Children of Mary. He was very proud of their corporate Jubilee manifestation. The Jubilee was a great sight and a great inspiration. Everyone admitted that it was the Jubilee par excellence in numbers and fervor. The Holy Father exhausted himself with audiences, yet he rebounded with new vigor at the very mention of Catholic Action.

During the past month the following organizations have renewed their affiliation with the Rochester Diocesan Council of the N. C. C. W.: Knights of St. John Auxiliary 41, SS. Peter and Paul's Church, Rochester. Ladies Auxiliary 47, Knights of St. John, St. Boniface Church, Rochester. St. Mary's Junior League, Rochester. Rosary and Scapular Society, St. Mary's Church, Auburn. Altar Society, Our Lady of Good Counsel Church, Rochester. Parent Association of the Academy of the Sacred Heart, Rochester.

Nevertheless, we know that you won't have to paint so often if you use LOWE BROTHERS HIGH STANDARD House Paint. For HIGH STANDARD is a paint that stays new and bright much longer than paints of inferior quality. And of course, a paint that stays nice for an extra number of years, cuts many dollars from the per year cost of a paint job.
