

Along the Sports Horizon

By BILL LANG

This may sound like a midsummer night's dream but the fact remains that the best of the 1934-1935 bowling season is a mere six weeks away.

On the surface everything is somnolent but there's a strong undercurrent which portends a "new deal" of some sort or another for Rochester's bowling battalions.

When the curtain rang down on the Holy Name tournament last spring there was a discussion in this column regarding the future of the Catholic bowling game. That discussion provoked some serious thought...

Now the curtain is not even the most rabid Catholic League supporter...

Call it what you may or run it as you may, the plan is plausible and its success has been proved.

Now the idea of a Catholic League

revive general interest in an up-to-the-minute organization.
 As the typewriter repairmen write out when they test old broken down machines like this:
 "Now is the time for all good men to come to the aid of their party."

The prize sports story of the week takes us back nearly three decades to the campus of St. Viator College in Illinois.
 They had a great baseball team that year. The boys walked through the Western Conference and met only one defeat. At the head of that sparkling diamond aggregation was a young pitcher named Bernie Shell.

Of that great team of 1905 two members entered the major leagues. Another starred in the minors. All the others, including young Shell, entered the priesthood.

A Catholic League record which nobody ever thought would be even remotely approached has been equalled by the undefeated champions from Holy Rosary.

In the twelve victories piled up by the champs, only one—the ten inning victory over Immaculate a week ago—presented a real problem.

While Holy Rosary was taking the measure of Cathedral behind Sammy Rebman's fine hurling, Holy Family stumbled against unexpected opposition and fell before St. Thomas, 6-4.

In the other west side game, Immaculate Conception took the measure of St. Y. M. C. by a goodly margin and Mr. Hugh Marks, the league's latest hurling sensation, scored his second victory in three weeks.

The east division saw a month's tie for first place between St. Boniface and St. Ambrose broken when the Bonnies trimmed Blessed Sacrament, 11-1 while St. Andrew's came through with their second straight victory to take the measure of the hitherto unbeaten Ambrosians.

BOYS Their Interests

Archbishop Mooney paid the Camp a visit last Thursday. After a thorough inspection he pronounced himself pleased with the location and the Camp program.

Last Friday the J. Y. M. A. invaded the Camp with about seventy warriors. They took the baseball game but lost to us in the Swim Meet.

Sunday last the Parochial Boys' Band paid the Camp a visit and played in a joint entertainment with the Campers doing the singing and dramatics.

The registration for the Camp is completely filled for the whole summer. This is a record in the history of the Camp.

How can you give so much on \$1.00 a day? is the common request. The answer is plain.

All Campers offered up their Holy Communions last Sunday for the benefit of Father Eugene Hudson.

Columbian Squires Name Lawn Fete Committees

Committees for the lawn festival to be conducted by Bishop O'Hern Memorial Circle, Columbian Squires at the home of Chief Counsellor J. Franklin Fennell.

Send local news to the CATHOLIC COURIER office, Columbus Civic Center Building, 50 Chestnut Street, Rochester, N. Y., to reach the office before Tuesday evening.

Incidentally, the O.L.P.H. boys are going deeper and deeper into the summer vacation of the league calendar, having won but one game in ten tries.

CAMP JOGUES JOTTINGS

Word from Camp Jogues, Horicon, N. Y., on Brant Lake—Bishop Gibbons is building a house near the Camp in which to entertain Archbishop Mooney, Bishop Duffy and other visiting prelates.

JACK DEMPSEY, ALBURN ATHLETE, IS RECOVERING

Auburn.—Reports of physicians attending Jack Dempsey, well-known Holy Family School, Auburn High School and Colgate University athlete, who was injured in a recent automobile accident at Milwaukee, Wis., indicate that he is well on the road to recovery.

K. of C. Meeting To Be On Thursday, August 16
