The keen interests manifested by all who took part in the opening was a complete assurance in those in charge that the drive would go over the top.

Anticipation of being the lucky one to capture the prize was registered on every countenance. Circulars containing the tentative program for the year along with membership blanks were being eagerly sought and obtained by all present. Captains were requested to have all the names of their team workers sent in or phoned into the Club not later than Monday, October 8.

The names of the captains and their committees from each parish will be announced through the press as soon as completed. The next meeting will be held at the Club House, Monday, October 15, when a tally will be taken on the success of the different parishes and the scoring written down on the blackboard. A substantial cash prize is being offered to the individual who obtains the largest number of new members, a second prize for the next high individual, also a prize for the captain who ranks high in returns.

A new program for the year will have something to interest and entertain every Catholic woman. Get your membership blank from your parish captain. Fill it out and return it to her or the Club House. Enter into the spirit of the drive and put it over the top. Join now. Membership will be gladly received by the general chairman, Mrs. John P. House or the vice-chairman, Mrs. John E. Lyons.
