Catholic Women Club Drive Gains Members

With captains and their team workers canvassing all city parishes the Catholic Women's Club has entered its second week of the Membership Drive in full swing.

Already the Club is receiving daily inquiries as to the method of joining up and many new members are being registered daily.

This Club of Catholic women develops something to interest every Catholic woman in this city and will gladly welcome one and all into its group.

For those who may not be acquainted with the drive workers personally, the Club suggests calling Stone 4950 and asking for information as to becoming a member.

The chairman, Mrs. John F. Stone, requests the presence of the workers also those who are willing to help at the Club House Monday, October 15th at 8:30, when there will be an accounting as to the success of the campaign up to that date.
