Avenue is general chairman assisted

but when elected will serve the whole citizenry. It could not be otherwise with him. The level of Congressional intelligence will go up

when Mr Duffy goes in. Congress needs in greater numbers, men of his qualities of mind and heart, who take their place acutely conscious that they serve a people not a party.

Mr. Duffy is not only a lawyer, merchant, and educator, he represents the highest type of American Civic leader. Whatever your party affiliation, you can vote for this distinguished man with pride-and elect him with gratitudel

Park Avenue Clinical Hospital and the Monroe County Hospital. He is chief medical counsellor at St. Patrick's Orphan Asylum and St. Bernard's Seminary, and consulting surgeon at the Arnold Gregory Memorial Hospital in Albion. Doctor Growney received his early schooling at the LeRoy Academic Institute and the Brockport Normal School, After securing from the University of Buffalo his medical degree in 1908, he began practice in Roches-ter. He is a member of Corpus Christi Church and of the Holy Name

Society. For many years he has been associated with St. Mary's Hospital and the Highland Hospital, and is a member of the staff in both institutions. Doctor Growney has the unique distinction of having two sons following in his profession, and graduates of the same medical school which he attended, Doctor George Growney, Jr., and Doctor Herbert Growney.

Doctor George arroll is the son of one of the early doctors of Rochester, who served on the staff of St. Mary's Hospital from its earliest years. He attends SS. Peter and Paul's Church. His work as a specialist in diseases of the ear, nose and throat has been most successful and he is a member of the staff of St. Mary's Hospital, Doctor Carroll numbers among his immediate ancestors Dr. Bradley who purchased for Bishop Tirmon of Buf-

falo the site for St. Mary's Hospital, and Dr. Moore who was one of Roch-

Rochester High School, he took up the study of medicine at the University of Pennsylvania, where he received his M. D. in 1900. Two years of post-graduate work in Vienna pre-

based on his close contact with them over many years in which he knew rested also on his appreciation of their service to the people of the commun ity, especially of their faithful and

generous professional attention to
