Catholic Courier

Thank you for your courtesy in sending me the copies of the CATHOLIC COURIER showing the old and the new set-up. May I take this opportunity to congratulate you on the improvement you have brought about in this last issue?

Very truly yours, ROCHESTER CHAMBER OF COMMERCE. Roland E. Woodward.

The staff of the CATHOLIC COURIER is to be congratulated upon the improved format of the newspaper, which brings it another step nearer to the ideal for which I know you are striving.

Making your paper more attractive and providing for an increased amount of wisely chosen reading matter will inevitably enable the CATHOLIC COURIER to serve better the purpose for which it is being published. Heartly congratulations!

Very truly yours, ROCHESTER GAS & ELECTRIC CORP. Joseph P. MacSweeney.

First, let me compliment the COURIER—and I hope you will pass this on to Father Mooney and to Mr. O'Connor as well—upon the change you have made whereby the paper is issued with an eight column format and with new and more attractive type-face. Certainly this is a splendid step forward. It seems to me you and your people should have credit for doing an astonishing and fine piece of work in reviving the COURIER in the very face of the economic depression. That you are able at this stage to take this latest step will, I believe, be an inspiration to the Catholic Press generally.

N. C. W. NEWS SERVICE Frank A. Hall, Director.
