GOING UP!

PERHAPS this publication has reached the point where only its failure to register substantial circulation gains would be news. And yet, the spectacle of GAINS in these depression days is so rare that we feel the CATHOLIC COURIER is still MAKING news as well as PUBLISHING it!

SO HERE are the latest news facts about our progress. The circulation campaign being conducted with the co-operation of the Holy Name Union is producing results that will make Catholic Press Month a significant period in the 1935 calendar. New subscription orders are coming in at the rate of about 300 per week.

PAID CIRCULATION EXCEEDING COMBINED NET CIRCULATIONS OF ALL OTHER WEEKLY NEWSPAPERS

ADD THESE gains to the net gain of more than 3,000 new subscribers since last August, and you have circulation figure which explain why this is far and away THE MOST INFLUENTIAL WEEKLY IN THE ROCHESTER AREA
