

Columbus Center Health Department Handles 164,142 in Year, Report Shows

By WILBUR E. QUINN
"Health is wealth." How fortunate are they who have the time and facilities for healthful exercise! More than 2,200 persons, as members of the Columbus Club, received a total of 164,142 individual services during 1934, according to figures compiled this week by the Health Education Department of the club.
