BELIEVE IT - - - Not

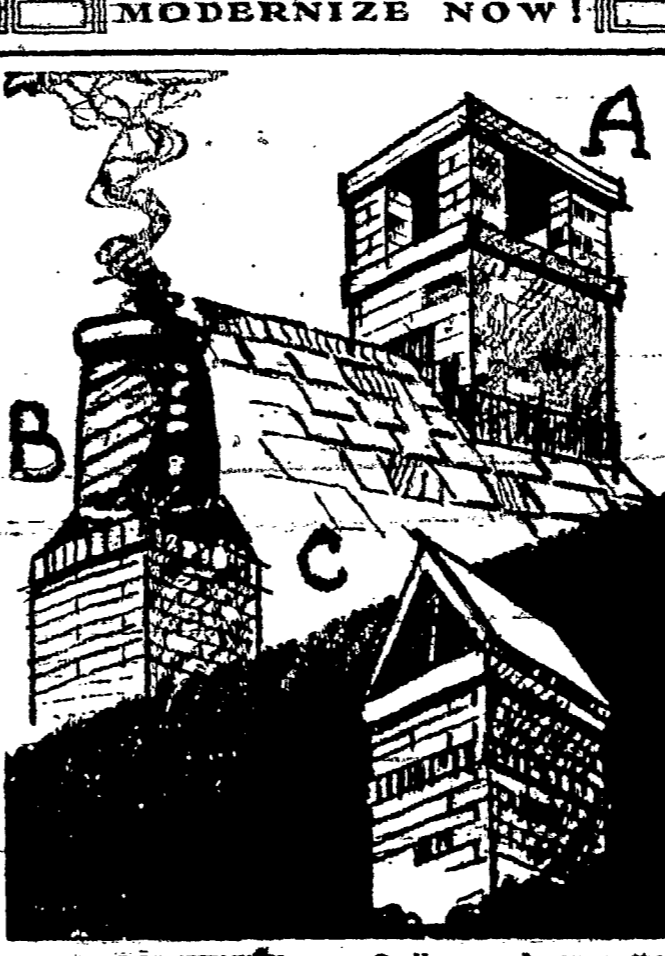

By REY. OWEN B. McGUIRE, D.D. BELIEF THAT BRITISH EMPIRE EXISTED IN TIME OF ST. PATRICK NOT BORN OUT BY HISTORICAL DATA

At this time last year a friend asked me the naive question, if I believed that St. Patrick was an Englishman. I answered no, I didn't, and that for the simple but sufficient reason that in the time of St. Patrick, there was no such thing as an Englishman. Of course, what my friend intended to ask was the question which has been discussed for generations and is not yet settled to the satisfaction of all: Where was St. Patrick born?

HOME IMPROVEMENTS

MODERNIZE NOW! DOES THE CHIMNEY DRAW WELL? IF NOT, it is probably because the chimney is not high enough. This can easily be remedied by a mason or a handy man. Here are three methods:

TARPAPER UNDER CONCRETE. Before laying a concrete floor in a garage, the earth should be covered with one or two thickness of tarpaper. This will prevent the concrete from picking up moisture from direct contact with the earth, and hence prevent the garage from being damp and cold.

Well Rooted, Sturdy Plants May Be Grown Early in Electrical Hot Beds. Annuals may be started earlier in an Electrical Hot-Bed. Sturdier plants and earlier blossoms will result. The equipment is simple, just the necessary soil-heating cable and a thermostat. It makes gardening and plant culture more fun than ever.

Catholic Courier CARRIERS

We ask that each carrier arrange his route book in alphabetical order before bringing it in to the office for the check-up. This is necessary because our files are arranged in that manner. By doing this you will save ourselves and ourselves a good deal of time.

Dutch Catholic Chapel in Moscow is Closed

Amsterdam (NEWS) Stalin, the Russian Dictator has given orders to close the chapel belonging to Dutch Catholics in Moscow. Reports from the Netherlands among those countries which voted against the admission of Soviet Russia to the League of Nations Stalin's order is obviously the answer.

Wales Favored

In the article on St. Patrick in the Catholic Encyclopedia the late Cardinal Moran of Sydney Australia says the Saint was born at Dumbarton in Scotland and this was the place most in favor in the last century. But today all the probabilities are in favor of Wales.
