Along the Sports Horizon

The amazing rise of indoor baseball in the past five years has brought the game face to face with its first real rival—commercialism.

Less than a decade ago, the softball game—the "indoor" game—was simply a form of pastime for the kids in the block and those fat and portly men who simply must play ball at the lodge's annual outing.

Today it is all different. The game has caught on the sports cycle with a bang. Indoor teams outnumber the hardball outfits more than five to one in Rochester alone.

It is especially true when we learned that of the seven divisions into which the Rochester Scouting Area is divided, four divisions were captured by Catholic Troops in this same swimming meet!

Parochial Basketball League: St. Ambrose moved out of Nazareth Hall by a 10-9 score in a hard fought game. Jack Eoyan, of Nazareth Hall played the best game of either team.

Parochial Swim Meet will be on May 2nd at the Civic Center Pool. Get your applications early. The meet will be bigger and better this year.

There is no money prize in the Catholic League. The city Catholic title is a prize no money can buy. Once each year—in the playoffs—the league collects from the fans to enable the players of the entire district to enjoy a banquet without a cent of expense to themselves.

Catholic Couriers CARRIERS

Each carrier boy has received an important notice through the mail this week. Follow the instructions in the letter no pun intended.

This business of route check-ups is now going into the final lap. Our carrier boys bring their applications for current attractions at Rochester's theaters, directed us each week in continuing the gain already made towards good, clean, instructive and even inspirational entertainment.

A selling hint: MOVIE-GOERS' GUIDE. Get your team together and begin this spring training. Word has come from at least three teams that they are already warming up.

The Don Bosco Fraternity drive for funds is now in full swing. The fund will be used to further the training of boy leaders. Those who sell twenty-five packs of tickets will receive a week's stay at Camp with all expenses paid.

There are so many socialities and different Church organizations that are putting out excellent little papers that we think the "Courier" ought to have a contest, and give prizes for the best ones.

"Prattle" is the paper of a very much girls' organization, and one which has been in existence for a very long time. This Sacred Heart League is composed of boys and girls: a co-ed proposition.

Holy Redeemer's League. L. Schuster sat the F.R.A.A. League off again this week with a blazing 631 total including a high game of 257.

After dropping the first game, Hoderlein's Grill came back to win two from Meyer's Shoes. Flon's 527 was top for the winners while E. Schuster's 517 was high for the losers.

George Vinnote led the winners with 519 while Lavonis hit 323 to pace the Ace Drugs.

Flashing their best pinning performance of the season, the St. Michael's bombers dropped some bowling T.N.T. into the St. John's camp to sweep the series with a near record total of 237.

Norm Schoenberger clipped off a 698 total with scores of 237, 224 and 215. Not far behind was Ed Hester whose 625 total included games of 225, 18 and 245.

Earny Cahill topped the St. John bowlers with 598. The league-leading St. Stanislaus outfit bagged two of three decisions from Corpus Christi.

After leading off with a 1018 game, St. Andrew's stopped the next two to St. Boniface by narrow margins. Uter's 599 was high for the winners while Rehman led the St. Andrew's attack with games of 216, 214 and 207.

Elmer Schramm, managed to win all three from Holy Redeemer's, taking the first encounter by a single pin. Lang with 804 and Jackson with an even 800 were high for the winners while Rehman's 599 was top for Holy Redeemer.
