PASSIONTIDE

"All God's Saints, from Mary, the Mother of Jesus, to the uncanonized and unknown Saints of the present day, have one great trait in common: their constant endeavor, day by day, to know and love Christ better. And the part of His Life, which they have loved especially to contemplate and study, is His Sacred Passion. Here, more vividly than anywhere else, He has demonstrated His unbounded love for us." League Leaflet.

WOMEN'S CRUSADE FOR HUMAN NEEDS

SODALTALK

Recording the Activities of Rochester Parish Sodalities Union

"The love of Christ drives us on."

At present the Crusade for Human Needs is of vital interest to community-minded citizens among whom all Sodalists should be numbered. The Sodality is taking part in the "Cuna and Eve" aspect of the movement. Over twenty Sodalities have pledged themselves to visit the St. Mary's and St. Patrick's Homes for boys and girls. St. Mary's Sodality led the way with an afternoon visit on Sunday, April 7. The other Sodalities are planning their visits for the remaining Sundays in April.

Suggestions for the observance of this Crusade for a better understanding of social work in the city may well be used at the April meetings of the Sodalities:

1. Spiritual talk by the Director on charity.

2. An explanation of the Crusades program, the Community Chest, welfare work, the various divisions and work of the committees of the Human Needs Crusades program.

3. A social welfare speaker.

4. A poster exhibit on the subject.

An imaginary tour of the institutions and social welfare centers of the city following a mapped route will be both interesting and instructive.

* * *

St. Bridget's Sodality is also planning to join the Crusade movement. Plans were discussed at the April meeting held on Wednesday evening. The Communion Sunday for the Sodalists will fall on Palm Sunday.

* * *

St. Mary's Sodality held a Treasure Hunt at their last meeting. Virginia Clark, perfect of Sacred Heart Sodality and Union chairman of the Crusade has been invited to officiate at a taffy pull at St. Mary's and incidentally also to tell a bit about her Sodality in the process.

* * *

The Apostolic committee of SS. Peter and Paul Sodality is working on the Crusade movement. Part of the April Sodality meeting will be given over to it.

* * *

The April meeting of the Holy Rosary Sodality has been delayed until Easter Monday. By a beautiful coincidence the General Communion Sunday of the Sodality falls upon Easter Sunday.

* * *

Just a short time remains to gain the Jubilee indulgence. Lent is also drawing to a close. Holy Week services offer new opportunities to show our loyalty and appreciation of Christ and His Sacrifice.

* * *

We suggest your reading the following pamphlets especially appropriate to this time: "Our Precious Bodies"; "How to Pray the Mass;" "Thanksgiving after Communion." Of course, you may find them in the Sodality Headquarters, Columbus Civic Center.

* * *

We are happy to take this opportunity of wishing all success to the newly-organized Sodality in St. Francis of Assisi parish. Although the Sodality has been established only a short time, it now numbers forty members. The Reverend Joseph Cirincione is the Spiritual Director. Officers of the Sodality are: President, Miss Florence Wynne; Vice-president, Miss Louella Cornell; Secretary, Miss Mary Hennessee; and Treasurer, Miss Antonia Sullivan.

Holy Week Liturgy Will Be Studied By C.W.C. Poetry Group

Because of Holy Week, there will be very few activities on the program of the Catholic Women's Club. Sunday, April 14, the meeting of the Poetry Group will be held at 3:30. Special attention will be paid to the liturgy of Holy Week. The study of poetic forms will be continued with the lyric the center of interest. Tea will be omitted because of Palm Sunday. Miss Katherine Higgins will have charge of the meeting.

Monday evening at 8 o'clock Miss Mary MacCarthy will review a recent book, which is receiving excellent comment, "Her Soul to Keep" by Ethel Cook Elliott before the study group of the Business Women's Group of the Club. The philosophy of the book is modern. It treats sympathetically and understandingly temptations that try the soul in the every day situations and conditions of life.

Members of the Club interested in the work of the Girl's Service League and Big Sister Council are invited to be present at the annual luncheon and business meeting of the organization next Saturday at 12:30 at the Rochester Club. The Most Rev. Archbishop Edward Mooney will give the address. Reservations may be made by calling the Club, Stone 4950, or through Mrs. Julian Wiley, 61 Westminster Road, Monroe 2528. Mrs. Leo G. Fravel is group chairman for the Big Sister Group, of the Catholic Women's Club.

Munitions Making Topic For Debate Between Nazareth and Syracuse
