AN ANNOUNCEMENT OF IMPORTANCE THAT FURNISHES A NEW REASON FOR FORMAN-STORING YOUR FURS: B. FORMAN CO. We Have Just Arranged with A. HOLLANDER & SON, Inc. the World's Largest Dressers and Dyers of Fur Pelts, to Have the Fur Coats and Fur-Trimmed Wraps of Our Customers HOLLANDERIZED THIS Hollanderizing method of cleaning a fur coat which we now make available, is identical with the process used in the original dressing of the fur skins that comprise your coat. We believe it is the perfect method of cleaning a fur coat because it will Remove both the surface dust and the deeply imbedded dirt from a fur coat, Glaze the fur, Restore the freshness, beauty and luster of the pelts, Fluff up the hairs, Clean the lining spotlessly, and Renew the pliability and suppleness of the skins. In short, Hollanderizing gives again to the furs that kept you warm last winter a "brand new appearance." Yet, to have us Hollanderize your furs costs no more than ordinary cleaning: \$7.50 for fur, or fur-lined, coats except as indicated \$10 for Persian lamb or krimmer coats, \$12 for Mink, beaver or nutria coats, (Ermine or Sable Coats by estimate only) Why not write or phone (Main 3900) to tell us when it would be most convenient for you to have us call for the fur coats and fur-trimmed coats you wish us to Hollanderize before placing them in our Frigid Fur Storage Vaults for the Summer?
