Four wasks of league competition have come and gone but the amazing that not a single-finger in the entire circuit has been the last haif of the last inning able to hang up two victories. Not that they haven't tried. Most of Rosary. Alex, just plain Alex.

the see the pass route.

The see twirlers of former years have crumbled like so much dust before the hitting hurridane. In fifteen games played thus far, the
mountainen have held the upper hand on only two occasions and the more the season progresses the

Take the case of Joe-Wiztigman for example Last year he sailed through the league, numbing the batemen into submission with his pitching magio. This year he was beaten in his first star and driven from the box in his second.

Jee Mason, a consistent winner in past years was bumped hard on two appearances. The same goes for the rest of the boys with the possible exception of Tony Ferrari who turned in gilterary performances in his first two trips to the hill and then was temporarily forced out of compatition because of an overworked arm.

In addition to being batted around rather dreely the knights of the mound have been the subjects of an unusual number of free thokets to the Boys have gone to the twirling well two, three
