Rochester Diocesan Council of the National Council of Catholic Women

Office: 1020 Columbus Civic Centre, 50 Chestnut Street

The National Catholic School of Social Service has been declared the greatest contribution to the Catholic life of the nation. This school is one of the projects sustained by the National Council of Catholic Women.

The past year has witnessed an enrollment of 51, the largest to date.

The student body represented 22 different states and the District of Columbia. There were also enrolled: one student from China, one from Puerto Rico, and one from the Philippine Islands. Twenty-two Catholic Colleges and 18 non-sectarian and State Universities were represented, a total of 40 colleges.

Through loan scholarships, the School is giving opportunity for professional study to a number of college graduates who would otherwise find themselves, under present conditions, without employment. But of far greater importance is the fact that the School is training Catholic social service workers, for whom there is so great need at the present time.

Requests from a number of agencies for trained Catholic social workers clearly demonstrate this need.

Present officers of the Board of Directors are: Very Rev. John J. Burke, President; Rt. Rev. William J. Kerby, Vice President; Miss Agnes G. Regan, Secretary, and Mr. Bruce Mohler, Treasurer.

Plans are under way for a Youth Institute to be held at the School, July 15 to 27.

Diocesan. President and Presidents of National Organizations have been asked to reply to a questionnaire pertaining to activities carried on in behalf of young girls. The Institute will be for women who have worked with or studied the problems of young girls.

The number accepted will necessarily be limited, so application should be made at once.

The cost will be nominal, the actual cost of maintenance divided among all who attend.

The regular meeting of the Rochester Deanery Council was held at Columbus Civic Center on Tuesday, June 25. Mrs. M. J. Keogh, Mrs. Louis A. Langie, and Miss Kate Kane led an interesting discussion of current Catholic problems.

During the past month, the following renewals of affiliation have been received:

Mission Society, St. Joseph's Church, Rochester.

St. Rita's Circle 268, Daughters of Isabella, Newark.

St. Eustace Auxiliary 43, Knight's of St. John, Rochester.

Parent Association, Academy of Sacred Heart, Rochester.

Catholic Women's Union, Rochester.

Arrangements are under way to hold the next quarterly meeting of the Board of Directors of the Rochester Diocesan Council, N. C. C. W. in Hornell, N. Y. We are hoping to give you further particulars next week.

Junior Rosarians Close Active Year's Program in Geneva

Geneva — Plans for a wiener roast in Seneca Park on July 1 were discussed at a recent business meeting of the Junior Rosary Society of St. Francis de Sales Church here. The wiener roast will be the final social event of the season for the Junior Rosarians.

At the business meeting also, which was last until after the summer months, the president of the Junior Rosarians, Miss Helen P. Mansy, made a report of the growth and accomplishments of the society since its organization in October, 1934.

According to Miss Mansy's report the society has been steadily gaining in the number of enrolled members. The drive for new members will be intensified during the summer months, it is announced.

Among the projects of the society which received notice in the report were the Hospital Guild, the Study Club, and benefit activities. New members of the society, all of whom have been very enthusiastic in the work of the Hospital Guild, devoted one of their meetings each month to this work and folded several hundred yards of gauze.

The Study Club's most ambitious undertaking was the complete study of the Missal under the direction of the Rev. John J. Healy.

Benefit activities included an October card party, an old-fashioned dance in December, and a food sale held in May. All of these activities were reported to be a complete social and financial success.

One of the highlights of the Junior Rosary Society's social gatherings was the entertainment given for the Senior Rosarians in December. At this entertainment the girls presented a little play with singing and dancing numbers. Father Healy contributed to the program with an interesting motion picture film.

Garden Party Next Activity Planned by Catholic Women Club

Committees are being formed to plan the details of a garden party which is to be held by the Catholic Women's Club in the spacious gardens of the home of Mr. and Mrs. John P. Boylan on Saturday evening, July 13. Mrs. Boylan will be honorary chairman for the occasion and Miss Rose Z. Moore is general chairman. Buffett supper which will be served out of doors will be in charge of Mrs. Frank E. Deavenport and Mrs. William L. Waldert.

Ryan who is chairman of the choral group of the club, and Miss Gertrude Vayo of the Eastman School of Music, are planning a program of vocal and instrumental music which will be a most enjoyable feature of the affair. Miss Mary L. Dunbar will have the assistance of a large committee to distribute tickets.

Plan New Store Feature in Projansky Expansion

A store feature new to Rochester will result from the program of expansion and remodeling to be carried out in the near future in Projansky Company's tailoring shop at 39 East Avenue, it has just been announced.

The new feature will be in the construction of individual display rooms for the privacy of patrons. This will be brought about by extension of present quarters in two directions. Moving of sidewalls will add space to permit construction of the individual rooms.

The Projansky store will be completely air-conditioned.

Projansky Company began modernization of the tailoring shop early this year with installation of cold storage facilities for the storing of furs. The Company has been in business in Rochester for more than 25 years.

Speaking of the expansion, this week, Mr. Projansky said: "The women of Rochester and vicinity have shown their appreciation of our endeavors in matters of fashion and quality. Whatever success we may have attained is entirely due to them."

Priest Coaxes Whimsical Car

Pine Ridge, S. D.—(JMS)—After 85,000 miles of faithful service on questionable roads in this Sioux Indian country, Father Placidus F. Sialm's auto is showing the marks of old age. Its fitfulness may perhaps help to break the monotony of long trips, but its driver, a Jesuit missionary for thirty-five years among the Sioux, is quite willing to forego this advantage in favor of dependable transportation.
