Hartford Auto Policy Contains New Features, Firm Is 125 Years Old

One hundred and twenty-five years of service to clients is being observed, this year by the Hartford Fire Insurance Company, agent of which in Rochester is the Egbert F. Ashley Company. The Hartford Company was established in 1810.

During that long period of years the Hartford Company has kept pace with the times. Constant effort has been made by the firm to improve and make more serviceable the policy contracts that assure a property owner indemnity for loss.

Commenting on efforts being made by the Hartford firm to improve various forms of insurance and to make them of greater value to a property owner, Mr. A. L. Griffith, Vice-President of Egbert F. Ashley Company points out that policies now in addition to protect a car owner against loss or damage by fire, theft or windstorm cover such possible happenings as a car driven through the street where workmen are spraying trees and the chemicals ruin the surface of the car. Or an explosion bursts a block of masonry through the air and partially demolishes a parked car. The Hartford Company provides for such expenses with comprehensive Automobile Policy.

Another up-to-date service of the Hartford Insurance Company, one of the companies handled by the Egbert F. Ashley Company and cited by Mr. Griffith in a telegraphic service Hartford agents, whose offices literally network the entire country, are listed with Western touring the country in an accident perhaps a thousand miles from home, can call Western Union, or Canadian Telegraphs in Canada, and be given the name of the nearest Hartford agent. At once service may be had from him that can be expected at home.

1st Thought, Ice Cream 2nd, Get Bartholomay

Daytime hot and sultry, evenings oppressively warm, the first thought should be ice cream and the second, Bartholomay's for its rich, delicious smoothness and flavor.

Whether it is ice cream in the role, in the bulk, in brick or in special molds, Bartholomay's ice cream will be found satisfactory and tasteful because it is produced by a special unique freezing process.

The Bartholomay firm determined to give its customers the most for the money in ice cream, installed the Vogt Instant Freezer which freezes ice cream in just a few seconds, producing a much smoother and more delicious product. By the old method, it took from 8 to 10 minutes under the most favorable operating conditions. Under the new method minute particles disappear and a velvet-like ice cream results.

Beneficial to the health and a relief if the weather is oppressively hot, Bartholomay's Quality Ice Cream may be ordered from dealers everywhere who display the blue sign or it may be ordered direct by calling Main 6520.

Bartholomay Co. Inc. are distributors of Pasteurized Milk and Cream, Pasteurized Guernsey, Certified, and Vitamin D, milk, which will be delivered with ice cream orders if desired. When Bartholomay products are ordered, Quality is assured.
