Paine DRUGS, LIKE FOOD, GROW STALE. Some drugs become inert and useless after a certain age. That's why, at Paine's, all drugs not kept fresh and potent by frequent turnover are discarded before time saps their usefulness. A prescription whose ingredients are aged is a useless concoction. Don't take chances. Bring your prescription to Paine's where you are both sure and safe.

IT'S AN OLD SIBLEY CUSTOM... to make every price-tag a surprise, by putting it on a garment which is better than you'd expect for as much! "Yeoman" Suits are no exception, at 14.85. Plenty of men want to buy a suit for \$15. Plenty of suits are made to sell at \$15. But most men who can pay only \$15 would like to get things in a suit which \$15 doesn't usually bring them. "YEOMAN" suits are for them! We took months in the selection of the stock to go into this new department—in order that we might offer materials, patterns, styles and tailoring which can't be beat, for \$14.85.
