

PARISH
HALL BLESSED
BY BISHOP

COMMEMORATING the DEDICATION of SAINT MONICA'S PARISH RECREATION HALL

OCTOBER 21, 1935

• This beautiful edifice is a monument to the progressive people of St. Monica's Parish and to their pastor, the Rt. Rev. Msgr. John P. Brophy.

• Dedicated to recreational and social activities, St. Monica's Hall completes the parish building group of a leading city parish.

Simple in design, St. Monica's Parish Recreation Hall follows the style of the church itself, Italian Romanesque. Constructed of variegated brick, the structure contains an auditorium seating 760 people, and full facilities for a true social center.
