Sixty-fifth year began Sept. 3, 1935

● "EDUCATION is more than a preparation for life; it is Life itself!"

● REPUTABLE institutions of higher learning, in educating your son or daughter, guide toward the correct and basic principles of life and its living.

● OF PRIMARY importance is the character of the institution selected. Its very life rests upon the extent and efficiency of its instruction.

● EDUCATION as "life itself" depends upon that institution. Consider these schools in making your choice.

Established 1855
