75 Years of Knowing How
DOES make a difference!

Stein Bloch Clothes

ONLY years of experience have made possible the quality standards of Stein Bloch Clothes. There is one thing that you cannot learn overnight and that is how to make fine clothing... it is an art in itself.

In Stein Bloch Clothes we offer the men of this city a product that is recognized everywhere as supreme. Yet their cost is within the reach of all men. Quality like this is always worth buying and you'll find it more economical in the end... not to mention the pride and pleasure you receive from their wearing.

Trusteeship

Provides a more economical method of bequeathing property from generation to generation.

Under a carefully planned family trust, the benefits of an estate may be passed on from one generation to another by trusteeship, without being subjected to transfer at the death of successive beneficiaries. This eliminates unnecessary tax and administration costs.

We have prepared an interesting folder which describes Trusteeship and shows its advantages over the outright method of bequeathing property. Send for your free copy today.
