Our hearts are filled with the love of Christ and our hands are busy with the work of His Kingdom. The Christmas season is filled with the love of Christ and our hearts are filled with the love of Christ. The Christmas season is filled with the love of Christ and our hearts are filled with the love of Christ.

We give this week a miscellaneous assortment of new titles published late in 1935.

Prayer and the People
One of the peaceful alternatives of war should be recourse to the judgment of the people. They know that upon them falls the burden of war. If they are inspired by charity and justice, and if they are able to keep cool in the midst of "frenzied propaganda," they will more effectively prevent war than will diplomats. The Christian Way to Peace (N. C. W. C., Washington, D. C.)

KEEP HIS CONFIDENCE
It is particularly worthy to note that once a child has lost confidence in his parents because of deception or other cause, it will be restored only with the greatest difficulty. Hence the unreasonableness of deceiving children in order to gain obedience. Parent and Child (N. C. W. C., Washington, D. C.)
