All the land area in the world does not equal in extent the area occupied by the Pacific Ocean which, as any traveler will agree, is not especially powerful, despite its name.

IT'S THRILLING TO TAKE CHANCES

blue coal' Heat Regulator assures steady, even, healthful warmth automatically

It's thrilling to go skidding around the turns in a roaring racing car. Of course there's always the chance of a crash - that's what makes it exciting.

THE WORSHIP OF POWER
The mistaken belief that the first essential of national greatness is military or naval power...

Rest, said Shakespeare, 'Kings are the ravell'd sieve of care' and is Nature's sweet restorer. But it took modern medical science to prove it to be the principal weapon of mankind in his fight against tubercle, diphtheria and also more disease.
