PRESS MONTH FEATURE TO SEE THOUSANDS OF STUDENTS ACTIVE

Approval Given by Archbishop Mooney, Monsignor Hart for Extensive Effort to Assure Virile Catholic Press in Diocese of Rochester.

The clergy of the Rochester diocese this week were acquainted with the plans of the Catholic Courier to launch a circulation campaign...

Priests from three of the five deaneries in the diocese—Rochester, Auburn and Geneva—held separate meetings this week and heard representatives of the Courier outline plans for the coming drive.

Members of the clergy in the deaneries of Elmira and Corning have scheduled meetings for later in the week to hear of the campaign plans.

The Rt. Rev. Msgr. William M. Hart, vicar-general of the diocese, presided at the meeting of the Rochester deanery and told the priests of the importance of a virile Catholic press in the community.

In their talks, Courier representatives cited the recent birth control controversy as evidence of the need of a Catholic press able to cope with the enemies of the church and country.

The Most Rev. Archbishop Edward Mooney, Bishop of the diocese, has placed his approval on the coming campaign and complete support from all members of the clergy throughout the diocese is expected.

The campaigning will be carried on by students of the diocese beginning in the fifth grade and continuing through to the fourth year of high school.

The drive, the main feature of Catholic Press Month, is expected to start February 2 and continue through February 17.

It is of the utmost importance to parents and children that they listen attentively to any pulpit announcements, and read carefully next week's edition of the Catholic Courier which will contain complete campaign details.
