

# Better Housing FOR THE HOMEMAKER Household Hints

Catholic Daughters Tea-Musical Set Sunday Feb. 29 at Civic Centre

## And You, Too!

By Rev. Donald M. Cleary

It is a fact that the Catholic Daughters of the Americas are doing a great deal of good for the world. They are not only helping the poor and the sick, but they are also helping to build a better world for the future. Their work is so varied and so extensive that it is impossible to list all of their activities. They are doing good in every corner of the globe.

That was a fine sermon you preached today. It is just what I needed. I have been feeling a bit down lately, but your words have lifted my spirits. I will try to live up to what you have said. Thank you very much for your help and encouragement.

How much do you know about the instruction which you are sure to receive? Are you a member of a study club? You should be. A study club is a place where you can learn more about the Catholic faith and how to live it. It is a place where you can meet other people who are interested in the same things as you are. It is a place where you can ask questions and get answers. It is a place where you can grow in your faith and in your love for God and for your fellow men.
