BELIEVE IT - - - NOT

By REV. OWEN B. McGUIRE, D.D.

(Continued from Page 1) Spain I mean there is no party which the Socialists are deceiving the working classes. If the Rights return but with a small majority, they will find it difficult to carry on, for, on the one hand, the Monarchists could not take part in a Republican Government and even the other five parties would find it difficult to agree for long on a government program on the other hand, the Leftists would very likely threaten or stage another insurrection. If the Leftists won, it would be the beginning of making Spain a Bolshevik State.
