## Crying In The Dark

**By EILEEN LEARY**

Name the ten most successful women in this country? I reply that they are "mothers," the mothers who make their children into men and women of the world. I have met some of these women who have made their names in the world of letters, in the world of science, in the world of art, in the world of business, in the world of politics, in the world of sports, in the world of music, in the world of drama, in the world of film, in the world of radio, in the world of television, in the world of the stage, in the world of the screen, in the world of the pulpit, in the world of the classroom, in the world of the hospital, in the world of the factory, in the world of the office, in the world of the home, in the world of the street, in the world of the field, in the world of the sea, in the world of the air, in the world of the sky, in the world of the earth, in the world of the universe.

## THIS SPRING ENJOY TAILORED SUIT TO MEASURE

SPRING suits are growing more and more masculine all the time. Gray ones have at last come into their own--gray flannels and gray tweeds. With them, it is very smart to wear a sweater coat that has acquired a cut that is smarter than has been theirs at any stage in their history. Revers and fan-tail backs are playing very important parts.
