KNIGHTS OF COLUMBUS TOURISTS PLAN VISIT TO VATICAN PRESS EXHIBIT

New York (NC)—A visit to the World Catholic Press Exhibition to be held at the Vatican is a feature of the European mission tour sponsored by the New York Chapter of the Knights of Columbus, which sailed from this city on July 21. It has been announced here that the fourth annual tour, designed for a month's vacation, includes visits to important cities and resorts in France, Italy and Switzerland and pilgrimages to the shrines of Lourdes, Assisi and Fátima. The program also provides for extension trips to Belgium, Germany, England and Ireland for those having time for a longer stay abroad. The tour is being organized by the New York Chapter of the K. of C. in conjunction with the headquarters of the order in Rome. Mr. Broderick is urging Knights of Columbus, their families and friends to make early bookings.

The Catholic students in Public Schools in Omaha have been under instruction for the past five years. Evidence of the fine cooperation and interest appears in their annual report. Each student sacrifices three days of vacation to make this report. Last year over 1200 made this report. This moderator reports that the only opposition to the whole movement comes from the parents.

Along the Sports Horizon

By BILL LANG.

The end of the Catholic Bowling League's pennant chase is a non-event. The boys might as well take the CATHOLIC LEAGUE pennant from the shelves of St. Stanislaus, polish it carefully and hand it over to Holy Redeemer's.

Up until last week it was a tossup whether to send the trophy to Holy Redeemer's of St. Michael's but that most recent of brigadoons, Herb Scheuch, upset him right out to good advantage by leading his H. I. A. A. boys to three straight victories over the challengers from St. Michael's to settle the issue. St. Michael's went into that series four games behind Holy Redeemer's and emerged seven games in the rear. Of course there are twelve games remaining to be bowled but it seems hardly likely that St. Michael's can pick up an average of two games a week on the leaders during the next four weeks. Things like that have been done before in the Catholic League.

The real battle seems to center on second place with St. Stanislaus drawing up to within four games of St. Michael's. Last week the Holy Redeemer's boys were able to sweep the series with Miami Carmel.

St. John's took three from Corpus Christi and Blessed Sacrament took two of three from St. Boniface.

In the series between Holy Redeemer's and St. Michael's which really decided the pennant for the year, the H. I. A. A. gunners won by fair margins. In two of the games, St. Michael's dropped below the 900 mark.

Herb Scheuch had 617, Weber 605 and Gieshauf 604 to pace the winners. Orval of St. Stanislaus contributed a 521, including a high single game of 245. Billiers, Mount Carmel, had 611 as did Cahill of St. John's. Rizzo contributed a 605, Gralake 602 and Hogan 603.

St. John's, who has been supplying at the 600 door all season, almost opened it this week with a 500 total.

St. Boniface took the 1935-1936 championship of the Knights of St. John League beyond all mathematical doubts by sending the St. Mauritius quint to a double defeat in the next to the last series of the season. The schedule closes with this week's games.

J. Kress banged out a 639 total for St. Mauritius, including a high game of 245, but it didn't suffice as the Bonnies took two close decisions. H. Ritz, with 101 topped the new champions.

Climaxing a brilliant win-up of the season, Heinzl hit 627 to give St. Eugene's three-man team the victory over the Cathedral. St. Michael's combination A 570 by Ryan was high for the losers.

District Commandery won three games from St. Peter's and Paul's but didn't take one of Chasley Mura. The score of the third game assures the boys pulled the unheard of feat of losing the score sheet. This performance serves to add just another mystery to the league's season and another headache to the statistical-minded Mr. Mura.

The past year was far from easy sailing for the Knights of St. John. It was the result of the league officials, it should be recorded, that they kept going when a breakup seemed inevitable. If they were again next year, here's wishing 'em better luck.

The next thing on the program is the annual tournament of the Catholic Men's Bowling Association at St. Paul.

In the absence of any definite information from association officials, we must assume that the men are working behind the scenes in preparation for the fourth annual renewal of the event started on a auspicious note in 1932 at Buffalo.

No dates have been made public as yet. The annual city tournament will be held in late April and early May and it seems probable that the Catholic Bowling Association meet will be arranged as not to conflict with that event.

It seems to me that the boys should get busy at once talking up this tournament before general interest dies completely.

After an excursion into the ranks of mediocrity which lasted entirely too long, Aquinas Institute has regained its place in the basketball sun judging from the results of the past season.

The Leary lads proved their ability in a rather convincing manner the past week by holding host to the grand total of three field goals. This same East Rochester quint defeated the highly touted Brighton High School aggregation.

The Leary boys are a team to watch. They have developed a team exceptional players on the boys' five including Sammy Mula and Nolan. What a rare the team's greatest strength lies in the fact that it has shown equal play in all phases of the game.

If the basketball program at Aquinas during the past few years was another experiment in the return to intellectual concentration, it seems that it has proved a return to a full season's schedule against the best opposition in this section of the state.

Basketball is enjoying a double revival and there's no reason under the sun why Aquinas should not get into step with the game's more progressive elements. A cross-section Aquinas team in these years will serve to lock the ghosts of past years into the recesses of memory and center every bit of attention on current editions of "our Maroon and White."

The most heartening news to come across this desk in weeks is the announcement of a pro-church truck meet next month.

If memory serves correctly that day—thing was advertised in this pillar as long back as two years ago. At that time we pointed out that pro-church truck meets in other cities were rarely than exceptions.

School authorities should make every possible effort to bring out a record entry for this meet. Success of a venture of this kind is important insofar as it determines the course of future action. What a more, it typifies the work being done by the Catholic Youth Associations all over the country.

DISCO TRANSFERRED

Madrid (NC)—The Most Rev. Miguel Barré, Sacerdote, Bishop of the Astoria Diocese since 1922, has been transferred to the See of Sagore, left vacant by the death of Bishop Luis Amigo y Ferrer in October, 1934. The new Bishop is 66 years old.

Boys Their Interests

Track Meet From the number of applicants the Parish Hall Track Meet on March 11 at Edgerton Park will be well attended. Over ten different schools have expressed "thanks" to the officials. Track and having it in the evening will ensure a large crowd of spectators. It is hoped that the boys will be able to demonstrate their prowess to the audience. The meet will be composed of Catholic boys, for the most part, will be present in the meet to provide moral support for the boys, as soon as possible.

The Knute Hole Field has made its home at Columbus Civic Centre Building. That is where they belong because nearly all of the boys are Catholic. The boys owe most of their popularity to their director, Frank Skille, the conductor of boys' band in the city.

The Papachal Basketball League threw a banquet to the boys of the league in the evening of a very fine custom. The coming team was feasted, and the boys were given the honor of being present at the receiving of the trophy to the Holy Redeemer Knute Hole team.

At the same time, the All-Papachal team took a bow and applause and the officials of the league had their say of advice and encouragement. After the banquet of the boys, the Christianizing them to meet your "senior" and laugh and joke over what some weeks before seemed like the beginning of a Kentucky feud. Representatives were there from all the different teams in the League.

To James Chinn goes the major credit for the success of the Basketball League this season. A success not so much in the numbers of teams but in the discovery of a technique that promises to work smoothly every year. The officials and coaches also cooperated especially the Don Hovey society who refereed the games and share in common the credit.
