FOR CATHOLIC BOYS AND GIRLS

John Roberts
Oratory Winner

The SAFE WAY

John Roberts, son of Mr. and Mrs. P. O. Roberts of Mage Avenue, was declared the winner of the annual contest for the Most Rev. John Francis O'Hara Memorial Gold Medal for Oratory at Nazareth Hall Auditorium, Thursday evening of last week.

Eye trouble may not mean that you need glasses. Go to an oculist (eye physician) to make sure. If he says you do, it is because you do, and not because he has glasses to sell. Then take your prescription to Whelpley & Paul, whose work is carrying out the instructions of the oculist. This is the SAFE WAY. We sell no side-line merchandise and do no single thing that diverts us from our business of fitting glasses with scientific precision. This message outlines the safe procedure for protecting the most priceless of your senses—your vision.

PARENTS APPRECIATE THEM—BOYS AND GIRLS WANT THEM

Parents are proud to see the attractive NEWPIE TWINS on their children's feet—they compel instant admiration.

The youngsters too, like them—they revel in their rosy comfort. Their feet are accorded their right to grow as intended by nature. NEWPIE TWINS are the achievement of long years of exclusive children's shoe research.

You'll profit by having your children fitted with them

CITES MERITS OF PAROCHIAL SCHOOLS' BASEBALL LEAGUE

Student Sees Circuit as Aid to Character and Sportsmanship of Boys

By WALTER PRINCE
Eighth Grade, St. John's School
Although the public schools have some advantages over the parochial schools in sports facilities, there is one thing in which we easily overshadow them. This is the Parochial Schools' Baseball League.

This league has been going on for many years, and with the support of every Catholic schoolboy, should continue for many more. The League was started for two reasons.

One was to give the boys good clean fun. The other was to help build them up into fine athletes and good Catholic laymen. At our love, the boys have fun and while they have their fun, their characters are being strengthened. It has become somewhat of a custom for the members of the League to receive their First Communion in a body on the morning of each game. This is a devoted act of faith and a help in after life. It teaches us "dependence" on God for everything.

Hopes For Growth
Gradually the pastors of all the churches are beginning to realize the value of the League and are encouraging the boys to form teams. We hope that within a few years every team possible will be in the League, and Rochester's Parochial Schools' Baseball League will be the envy of all who hear of it.

We of St. John's School have been interested members of the League from the beginning. May we say that this year we did steam right out in front and won the pennant. However, pennant or no pennant, we are one hundred per cent with the League idea and are only too happy to welcome other teams when they come to our first class ball field to show their skill and sportsmanship.

Colds are not due to cold weather. Eskimos do not have them unless they come in contact with white men.

A WORD FROM THE EDITORS

DEAR BOYS AND GIRLS:
Just a word of thanks for the enthusiastic reception you have accorded the CATHOLIC COURIER'S Student Supplement.

With the arrival of each mail delivery at our office come contributions of every kind which you and your schoolmates have authored. In many of these pieces burns the spark of true journalistic genius.

Now our purpose is to print as many articles from as many schools as we possibly can. Naturally our space is limited so that to achieve that end we must have shorter articles.

Please limit your contributions to not more than 75 words. In that way you'll be helping us and at the same time learning one of the prime rules of journalism—brevity.

Thus far we've received too many poems and compositions, and not enough actual school news. While these poems and articles are highly interesting, you must remember that we're printing a NEWSPAPER and consequently our greatest need is NEWS.

So go back to school and gather up all the NEWS you think will interest the rest of the school children in the diocese. Let's see if you really possess that "nose for news" which every good reporter has. And please write on one side of the paper only.

Yours for more and better NEWS,
THE EDITORS

Holy Ghost School Deadline Reached Organizes 4-H Club In Lilac Contests

Boys of the Holy Ghost School in Caldwell were busy carrying out the program of 4-H Lilac contests last March. Some of the boys are doing gardening, others raising chickens and a third group raising sheep. Meetings are held at Holy Ghost School hall once a month.

BOOK REVIEW

By RICHARD PARKER
Eighth Grade, Blessed Sacrament
North To The Orient, written by Anne Morrow Lindbergh, is an excellent example of a travel book. It is a narration of the trip which she and her husband, Charles A. Lindbergh, took from New York to Shanghai. It tells of their experiences in the air and on land in Alaska, Russia and China.

Mrs. Lindbergh's style is very vivid but simple. I think this is one of the best books I have ever read and would readily recommend it to any one as a splendid type of travel book.

PUPILS OF TWENTY-FOUR SCHOOLS TO MARCH IN PARADE

Father Duffy To Lead Delegation in Memorial Day Observance

Representatives of twenty-four parochial schools of Rochester will march in the Memorial Day parade on Saturday, May 23, according to plans completed this week.

In addition to the school representatives there will be at least three bands in the line of march. The Rev. John M. Duffy, superintendent of Catholic schools, diocese of Rochester, and the Rev. Charles J. Mahoney, associate superintendent, will lead the parochial school delegation.

Following the parade, groups of boys will supervise the placing of plants on the soldiers' and sailors' graves in Holy Sepulchre Cemetery.

MI. Carmel Pupils Hold Costume Party

Pupils of Our Lady of Mt. Carmel School went back to the "Gay 90's" the other afternoon in presenting a costume party.

Each grade presented an impressive act and Rosa Ventura of the Sixth Grade won the most applause for his "kippy" costume.

Wonder of Nature

Walter, after a heavy rain, was taking a walk with his mother. The asphalt was shining bright.

Music World Awaits Victor Contest Winners

Old photographs records can open a window into the past, but taking advantage of the offer made by the RCA Victor Company of Camden, N. J.

School Smiles
