Gregorian Masses

Have you accepted our invitation to read our pamphlet on Gregorian Masses? We wish you would. We know you will find it interesting. It explains the old custom of offering a Mass every day for thirty days for one who is deceased.

Write for a copy. It is free.

CATHOLIC NEAR EAST MISSIONS

The Catholic Near East Welfare Association is the Catholic agency for relief and welfare work in the Near East. Its work is carried on in the name of the Holy Father. Its missionaries are priests, Brothers and Sisters who are trained in the Near East and who speak the languages of the people. Their work is to help the poor, the sick, the orphaned and the aged, and to bring them the consolations of religion.

A SUGGESTION

Because the amount is never fixed the Catholic Near East Welfare Association is kept struggling. Send an offering for a Mass, large or small, as your means and devotion dictate.

Levis Music Stores Report Increase In Piano Sales

With the first half of 1936 drawing to a close William H Levis of the Levis Music Stores today was able to report that piano business for the six months exceeded by far any similar period in more than ten years.

The piano business has definitely revived. "We sold more youngsters than ever before are being taught to play the piano. It is again being conceded that the piano is as necessary a piece of furniture for the well-appointed home as a lamp."

For the entire country piano business will show an increase in sales of nearly one-third over sales during the first half of last year. Reports indicate that this will year's sales will be between ... and ... greater than business in the first six months of 1935.

Study of instrumental instruction offered to a majority of the nation's school American children ... an opportunity not only to learn to play some instrument but ... fully appreciate fine tones. Parents, too, provide encouragement and opportunity for musical education and appreciation.
