Miss Russell Says: Small Tests Prove Friendship's Worth

My dear Girls: Have you ever just caught your breath you were so thrilled by a few words spoken unexpectedly, and almost voicing what you thought yourself, only you just had not put the thought into actual words?

Well, that is just what happened to me when an old lady, while she looked at a picture she held in her hand, said so softly, more to herself than to me...

By this I mean, if they measure up to that which I think necessary in a friend if they are sincere and true, if they are wholly worldly, or if they love a friend when they want to talk to God to ask for needed strength to carry on...

The wheels of time are turning fast for us all. Success and failure alike will be judged some day, but somehow I like to call a friend one who looks at one's failure not as a disgrace, but as a chance to help one who needs it often and who is not alone...

SUZANNE'S SHOPPING SERVICE "As One Woman To Another"

THE time has come, the walrus said, to talk of many things, almost anything, except the weather. For no matter how we feel about it, we will just have to take it. Perhaps if we just sit still and gaze into the face of our electric fan, we may think more clearly, or read or do whatever suits our fancy, and under its cooling influence be inspired to go forth early and select a new frock, hat or decide on an exploratory trip to the beauty salons in search of freshness. Anyhow it's worth trying.

SUPERFLUOUS HAIR What better thing can you do for your hair than get it permanently removed? Confidence and all those things that call for real happiness. Unwanted hair causes the suffering of disfigurement. Consult with CHRISTINE WELLS, 42 East Erie and have your superfluous hair removed permanently without pain or disfigurement. Individual consultation and convenient payment plan. Stone 3668

ORGANDIE locks look so very refreshing this warm weather. How many of you know that you may still retain that first fresh stiffness in the material even after laundering? It's called a "tear-out" of gum arabic. It's the best! Iron white will get from the starch and the result will be most satisfactory.

ROOT powder and cooling cream are among the essentials of a comfortable summer. If your feet are hot and your hands are red, try the cooling cream and powder. After washing your hands and feet, apply the cream and powder.

FRANKFURTERS at a picnic are very easily spoiled by putting them into an ordinary popcorn paper. Use a special paper for frankfurters. It will keep them fresh and delicious.

GIVE YOUR hair the right Summer care. Be more beautiful than ever in Summer. COLO-ART permanent hair coloring is the very name proclaims its worth. It gives a deep lasting wave. You are assured absolute freedom from uncomfortable heat or fear of burns. Cool-Art automatically protects and keeps the scalp cool during the entire process. FANCY BEAUTY SALON, 340 Thurston Road Gen. 1630.

As a travel hint during the warm weather... use a perfumed cold ointment on the skin and the hair when you need refreshing up and a bath is out of the question.

THERE is beauty in ice cubes. Wrap an ice cube in a layer of cotton wool with your favorite skin freshener and smooth it over your face and throat before applying make-up. As an occasional treat make up cubes of diluted lemon juice. These are a good treat for your skin.

A DELICIOUS summer drink and one that will be refreshing may be made as follows: A cup of strong Orange Popover, 3 lemons, and oranges and 1 bottle (large) of ginger ale. Add about two trays of ice from the electric ice box and allow to melt. Pour into a pitcher and serve real chilled.

IDEAS for something good to eat on the picnic... Try broiling one of the following suggestions on a pointed stick about 18 inches long... cubes of raw steak, spread with mustard, alternating with thick slices of Bermuda onion. Try sausage and 1/2 inch slices of apple. Cubes of cooked ham and wedges of pineapple. And for dessert... marshmallows and canned vegetables.
