Are you up on your market reports? Do you know what to buy, and when, and where?

Brokers and floormen on the Stock Exchange do their trading with a weather eye on the ticker. You can govern your own buying just as efficiently by watching the advertisements in this newspaper.

Women who follow advertisements realize their news value. They learn what's new and smart and right in the field of fashion.

Women who follow advertisements know when to buy. They're keen students of value, and quick to see a genuine bargain.

Women who follow advertisements know that they can buy advertised goods with confidence. They know that merchants will not risk their reputations by advertising inferior goods.

Time and effort (as well as money) are saved by these women who read advertisements. They never need "to shop around."

Advertisements are women's ticker tape. And women who keep their shopping eye cocked upon them will fill their wants to the proverbial "T."
