Society for the Propagation of the Faith. REV. LEO C. MOONEY, Director. Stone 1492. 50 CHESTNUT STREET ROCHESTER, N. Y. GO TEACH ALL NATIONS. Home CATHOLIC MISSIONS Foreign.

Our INTERESTS in missions is a work of our CATHOLIC CHARITY. Our KNOWLEDGE of missions is the measure of our CATHOLIC ATTAINMENT. Our SHARE in missions is the measure of our CATHOLIC FAITH.

NOVEMBER is the month of the Poor Souls. There is no greater charity that we can do for our deceased relatives and friends than to have the Holy Sacrifice of the Mass with its infinite merits offered for them. Missionaries need Mass Intentions, in fact, in many cases it is their only source of support.

Prayer Intention for the Holy Father for November: The missions of Central Africa. The problem of Central African missions is quite different from that of North Africa. The Faith has already been given a solid foundation in Central Africa, and the main problem is to hold the ground that has been taken.
