HOLY FAMILY SISTERS We received a communication from the Holy See a short time ago, asking us to try and do tomething for the Maronite Sisters of the Holy Family who are working in Syris.
With the letter from the Holy See a will. Do not forget Almighty God.

as it came to us:
"Our Congregation was founded in 1895. and our principal work is to educate and instruct the young women of this rection of Syria. Our mission priests is a steady supply of work is principally to the poor.

With the grace of God, we have missionary can count on twelve or made progress, slowly, but 't has affected dollars a month, he manages been solid progress. Today we num- at least to keep liis chapel open. So ber one hundred and twenty-one often we are forced to write and say Sisters, and we have under our care we have nothing. It is easy to more than seven thousand girls.
"We have schools, all of which are have schools, all of which are phan asylums and two hostory for Masses. The missionary says a We depend for our support Mass for every offering he receives. free, orphan asylums and two hoson the offerings sent to us by our former pupils. It is surprising how homes of those who were not Catholics. We thank God that the reports we hear about our former students are very consoling. However, we are now in grave difficulty. ever, we are now in grave difficulty.

The offerings have fallen off during the last few years, and we are in debt. It is necessary for me in the last few years, and we are in the last few years, and we are in the protection of the missionaries? You the last few years, and we are in debt. It is necessary for me to restrain the activities of our Sisters. and many times to refuse to take children into our schools or homes for orphans. This is unfortunate. We are surrounded by Mohammedans who outnumber the Christians

them to her, though I know they are absolutely necessary. Another Sister wrote to me from the Novitiate, telling me that there are four young ladies who wish to enter our community. I had to write to her and tell her to delay their entrance. We simply cannot afford to take any more.

"So please ask those who love the missions to take the principles of Catholic social teaching. The statement of Lay Organizations, reporting and a consequent right action." A new method was inuagurated by the Department in the issuance of a general statement on Catholic social teaching. The statement was coisil teaching. The statement was coisil teaching. The statement was a pamphlet on "Organized Social Justice," prepared by the Department, the catholic Evidence Bureau and the Catholic Evidence Bureau and the Catholic Hour.

A total of 22 651 lestare ware and the catholic social teaching to the catholic social teaching. The statement was a pamphlet on "Organized Social Justice," prepared by the Department, the catholic Evidence Bureau and the Catholic Hour.
