Continued from Page 20

The press exhibit is a collection of newspaper clippings and photographs that are displayed in a room at the exposition. The exhibit is designed to show the public the work of the Catholic Press in the United States. The exhibit is divided into several sections, each representing a different aspect of the Catholic Press. The sections include: a display of the Catholic Press in the United States; a display of the Catholic Press in the world; a display of the Catholic Press in the future; and a display of the Catholic Press in the past. The exhibit is a valuable resource for anyone interested in the Catholic Press.
