

Suppose you need money before 65?

It's nice to know the Social Security Act provides an old age income for every worker.

But it is up to you to provide the money you'll need before 65—for a home of your own, a car, a college education for the children, a trip, etc.

There are just a few things to save for now, as ever. Are you saving for the things you will need?

It is only natural to find great devotion to St. Joseph in the Near East. He was born and died there...

SMALL GIFTS

Our readers should never think that a small gift is unimportant. The truth is that all our work is accomplished by the many small gifts sent to us...

THE LONELY MISSIONARY

The lonely missionary never complains. He does his work well and uses all his energy and strength for souls...

CHAPEL FURNISHINGS

There are chapels in some sections of the Near East that are closed because they lack furnishings. Here is what a chapel must have:

- An Altar, A Missal, A Chalice, A Ciborium, Candles and Candlesticks, A Crucifix, A Holy Water Stoup, A Pew for the Priest, A Pew for the People.
