## Manila Set For Opening Of Congress

Preparations Speeded for  
Open Next Wednes-  
day

By PABLO S. MATIGBAK  
MANILA—A fervent plea to  
make the Thirty-third Inter-  
national Eucharistic Congress next  
week a great success was made by  
the First Lady of the Land, Sra.  
Aurora Quezon, before more than  
600 members of the Catholic  
Women's League from Manila and  
the provinces.  
The occasion was the tea given  
by the League in honor of the wife  
of the Commonwealth President.  
The amiable First Lady of the  
Land, who, like her husband, is  
an ardent Catholic, stated that she  
will stay with her son to attend the  
Eucharistic Congress and then fol-  
low her husband to the United  
States when the Manila Congress  
ends.  
The president of the Catholic  
Women's League, Senora Quezon  
said in the course of her address,  
has asked me to endorse to you  
the program of the Thirty-third  
International Eucharistic Congress  
that has just been read by the  
League's secretary.  
I wish to emphasize, however,  
this point to you, that this celebra-  
tion is not a mere vain parade or  
a vain display. We are not cele-  
brating the occasion just because  
we have the Philippines to be ad-  
vised. It is a grace given us  
to have our hearts with the hearts  
of other nations to adore in soul  
and body our Creator our Sav-  
our.  
Meanwhile with only a few days  
before the opening of the  
Congress preparations are now in  
full swing. The beautification of  
Manila is being undertaken with  
greater zeal. All churches are be-  
ing dressed up for the great reli-  
gious celebration. Convents and  
hospitals throughout the city in-  
cluding the Archbishop's residence  
the Apostolic Delegation and  
others are being repaired and re-  
decorated. Work on the altar for  
the open air celebration of the  
new Eucharist is progressing rapidly.
