**MISSION INTENTION FEBRUARY**  
The young people of India and Ceylon are in the midst of a spiritual struggle. Hinduism, Mohammedanism, Christianity are the religion offered to them and most shall they choose? If the Catholic Faith were more widely established in these places, there would be good hope that many who are being drawn into the Christian fold. But with Christianity represented by such small numbers, the danger as Father Gavin Duffy said is that Communism may "pick them like ripe fruit." Pray for them. (The Shield.)

## Rochester Diocesan Council of the National Council of Catholic Women

Office: 536 Columbus Civic Centre, 50 Chestnut Street

**A THOUGHT FOR FEBRUARY**  
"All things, good and bad, are accomplished through organization."

In her monthly message for February, our National President, Miss Katherine R. Williams, says: "Mary, the Mother of Christ, has shown us how women may serve and conserve the truth. At prayer she received her vocation and dedicated herself to the Will of God. In her service to the Holy Family, in her compliance with the model. But in the ministry, sufferings and martyrdom of her Son, she stood beside Him and gave evidence of her faith and devotion. Her unselfish giving and her loyalty. What has she done? 'Gates of Heaven' 'To Jesus only through Mary'."

"Let us find Jesus through consecration to Mary. Let everything be consecrated and valued by our determination and effort, by example and precept, to live God's way, to work and to serve, to rejoice in success or in suffering in the service of Christ's Kingdom here and hereafter for the world."

"Let us on Candlemas Day, grasp our candle, emblematic of light for a darkened world, and pray with the Church at the Secret of the Mass."

"Hear our prayers, O Lord, and in Thy loving kindness, help us, as the gifts we offer may be found worthy in the eyes of Thy Majesty and then add the prayer that a prayerful world may again see the light and cry out as does Simeon in the Gospel of the day: 'Now dost Thou dismiss Thy servant, O Lord, according to Thy Word, in peace!'"

"Though powers may thunder, No human hand God's hand may stay. Who does God's work will get God's pay."

Our local affiliated organizations are being asked to cooperate with the Knights of Columbus in securing a large attendance for the Columbus Auditorium on Sunday evening, February 14, "The Truth About the Spanish Revolution," and "Does the Catholic Church Favor War?"

These talks will tend to correct many of the current erroneous opinions on these subjects.

The following is the report submitted by Mrs. Frank T. Curtin, Diocesan Chairman of the National Council of Catholic Women: "It is with great pleasure that I make this appeal and report as Diocesan Chairman of the National Council of Catholic Women. While it is my work to spread the gospel of the school, I feel that we as members of the Council should lend every assistance to our National Chairman to further the ends of the school. We thank you for your interest during the past and we appeal to you that our diocese may have continued interest in this great work, thus assuring a permanency to the National Council of Catholic Women."
