Missing To Seek di New Eand In Arctic

Glacier Priest Reveals Plans for New Expedition

Washilication A Bendare "Almighty God made the physical
laws immutable and the instincts
of sinimals unchangeable," the
Rev Bernard B. Hubbard, S. J.
Professor of Geology at Santa
Clara University and internationsilly-famous "Glader Priest," is entirely consident that he is going to
discover "the only remaining piece
at undiscovered land on the globe."
Father Hubbard exuded optimismissible fold of plans he has
for a two-year stay in the Arctic.
It will be his longest expedition
and maybe his "swear song." Some
of the inings he plans to do are
these:

these:
Definitely prove the existence of land in that now unknown are not week at morthwest at Point Barrow, Alaska. Resert 10 years of Jesuit mis-stenary labor in Alaska with sound n comer incline observes, for use it comestion with the fourth con-centry of the Modely of Jesus in
