St. Mary's, Canandaigua Opens New Parish Hall

Parishioners of St. Mary's Church, Canandaigua, will gather for social meetings after Easter, chief of which will be a children's entertainment in April in a new and modernly equipped parish hall just completed in the basement of the Church.

Spurred by the growth of Mt. Mary's School to turn the former meeting hall into two class rooms, the Rev. Michael C. Wall, pastor personally planned and supervised the building of a new hall under the Church.

With a seating capacity of 700, a deep stage, and a thoroughly equipped kitchen the new hall will serve the many purposes of active parish life.

Entrance to the hall is on Gibson Street. There are six exits and the hall is fireproof throughout. An up-to-date air-conditioning equipment has been installed to provide proper temperatures.

Lighting fixtures have been so arranged as to give even light. Footlights on the stage are concealed when not in use. Dressing rooms are provided in the back of the stage.

A large cloakroom is included and there are long passageways between the walls of the church and of the hall to permit those appearing the stage to return to the rear of the hall without passing through the audience.

Acoustic properties will assure all in the hall hearing what is being said on the stage. Chairs are removable to allow for dinners and other events.

The hall this week was used for a meeting of Father Wall with his study club leaders.

Holy Week Liturgy Services Explained

and one by one the faithful come to kiss the sign of their redemption.

In memory of the three hours Christ hung on Calvary, the Three Hours Agony is observed between noon of Good Friday till three o'clock.

Holy Saturday

The ceremonies now observed on Holy Saturday originally began about three o'clock in the afternoon and ended early Easter morning with the Mass of the Resurrection. Now all the ceremonies are anticipated. New fire is blessed, the paschal candle is lit, the baptismal font is blessed, twelve prophecies are read and the Litany of the Saints is recited.

The fact that Lent was originally not only a period for public penance, but also a preparation for adult baptism explains many of the ceremonies of Holy Week. The greatest symbol of all the ancient ceremonies is those of the slaves rising from spiritual death to a new life given by the Risen Christ.

Protest Red Mockery of Mass In France

PARIS - The Most Rev. Benjamin Roid-Gosselin, Bishop of Versailles, has addressed a protest to the prefect against an odious demonstration staged by Communists on Christmas Eve in the town hall of Velizy. During the course of a ball, they parodied the Mass with a celebrant dressed in priestly vestments and boys and girls dressed as altar-boys.

"I have the honor," wrote the Bishop, "in the name of the clergy and faithful of the Diocese of Versailles, their piety sensibly wounded, to call your attention to this unqualifiable abuse and to ask you to take steps to prevent its repition."

NOT JUST ANOTHER BANK

"If the credit union were merely another banking institution, another thrift agency serving only to supplant these agencies, it is hardly probable that people would be so attracted to it. The fact is, the credit union effectively meets a need of people that is not being met by other banking agencies."—The Credit Union and the Parish (N.C.W.C., Washington, D. C.)
