Anglican Clergy Vote  
Against Remarriage

LONDON - The lesser clergy of the Anglican convocation of Canterbury have rebuffed the Bishops by rejecting the proposal to admit to Holy Communion persons who have been divorced and have remarried during the life-time of the former partner.

LEONARD ELECTRIC WITH THE

Master Dial

Illustration of a Leonard Electric refrigerator with a price tag that says '90¢ a week BUYS YOU A LEONARD'.

THAT LETS YOU CONTROL THE OPERATION OF YOUR LEONARD TO SECURE LOWEST OPERATING COST

LAST year's prize refrigerator buy was the 1936 Leonard Electric. Everybody who owns one will tell you that. It used little current. No other offered so many features. It was packed with extra values.

That is because of Leonard's unflinching policy, for 56 years, to give the public more for its money. And all that was true of the 1936 Leonard is even truer of Leonard for 1937!

Greatest 1937 improvement is the Leonard Master Dial. It's something you can't afford to miss seeing. It means better refrigeration service—at less cost.

And Leonard is still the only refrigerator to offer you the Len-A-Dor Pedal, that opens the door with a touch of your toe... and the handy service shelf inside the door... plus all the features listed in the panel to the right.

- MORE FOR YOUR MONEY... only LEONARD gives you ALL these Extra Features
1. Leonard Master Dial - Now you could pay for a radio for just the same amount of money...
2. Vegetable Drawer - Roomy, for safe storage of vegetables which do not require low temperatures...
3. Len-A-Dor Pedal - Opens the door with your foot - leave your hands free for carrying...
4. Service Shelf - Drops to give you place to put things while you rearrange contents of your Leonard Refrigerator...
5. New General Shelves - Add to the reachability of contents of refrigerator...
6. Rubber Grids in All Ice Trays - trace of every quickly regains former freshness in this handy drawer that preserves taste and flavor of all vegetables. Top is handy serving tray...
7. Utility Basket - For fruits, vegetables, all small articles. Prevents oranges and lemons from rolling. Saves space...
8. Sliding Shelf - Pulls out like a drawer, making every article instantly available...
9. Exterior Light - Snaps on automatically when you open the door, off when you close it...
10. 5-Year Protection Plan - Assurance of dependability, signed by a maker who has been famous for fine refrigerators for 56 years!
