Orleans and Buffalo will be hears some of the electric some trous-secular schools.

Heading the list of 10 recommendations submitted last Friday morning by the Chaplains' Com-mittee through the Rev. Paul A. Deery, of the University of Indi-ana, National Chaplain, the C. C. D study chib affiliation was con-sidered by lay and charlest tepresentatives to be the most important work of the 1827 convention. The problem of religious education for Catholic students at secu-lar colleges was the theme of this year's meeting. A summary of the work to be done and the methods to be used was given by the Most Rev Edwist V O'Harn Bishop of Great Falls and Chairman of the Episcopal Committee of the Con-fraternity of Christian Doctrine, at the closing banquet Saturday

dight.

Growth of Clubs Reported

Mosting in Denver for the first
time, the Federation followed a religibility business, and social programs prepared by the heat unit,
the Internaumann Province confiprising schools in Colorado, Wyoming, and Ucah. The Newman Chap-ter at the University of Denver aupervised details.

Healthy growth of Nauman club units in the past scholastic year was reflected in praving reports

was callected in previous reports at the opening seasion Thursday that showed sight new clubs affiliated and 10 more with adplications filed. If the 16 are approved, total federation affiliates will since to 507, officers said.

The man and women students and the chaplains were given a practical demonistration Frieny a practical demonistration Frieny a C. C. D. atudy club in action in a streamined season directed by the Rev. F. Gregory Smith, of Denver to show the plan's fexially, simplicity, and adaptability to all intellectual levels. The sale glams were slown to adapted to campus use and were urged to atcampus use and were urged to al-fer suggestions for eamous adap-tation as the convention pro-gressed.
