Energie DECIDE YOUR CHOICE

give your car the gasoline that's matched to the weather

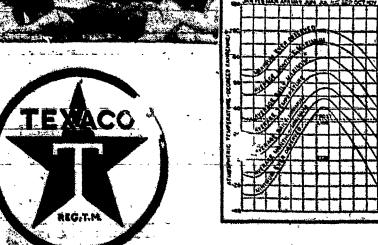

Weather affects two things of vital importance to you. The mileage you get with freedom from vapor lock, and the amount of gasoline you save in starting, both depend on how well your gasoline suits the weather.

Fire-Chief gasoline is made for 24 weather areas in this country. The area in which Rochester is located has its own Fire-Chief for each season, made from a study of the past 40 years of weather.

Texaco Fire-Chief has anticipated the weather for you so you can always be sure of first class performance. What's more, because Fire-Chief is so well suited to the weather, your car starts quicker and you make an actual saving on gasoline.

Drive alongside a Fire-Chief pump the next time you need gasoline. Fill your tank with Fire-Chief.
