## CATHEDRAL HIGH OF FR. O'DONOGHUE

The high alter of the Cathedral Cathedral of the Sacred Heart is fashioned of marble and has been

the lips of Bishop McQuaid as he expounded the teaching of tantioned or marrie and has been used for nearly forty years.

It was erected in the Cathedral in 1898 as the gift of the Rov Frank H O'Donoghue, C M. to Holy Mother Church on the school question, on loyally to the Faith on the great mysteries of religion' memory of his parents, Mr. and Mrs. James O'Donoghue, lifelong members of the parish.
On the rear of the alter is atof the Cathedral now completed and brought to the perfect form in which the gifted architect had tached a slab of black marble

which reads: "Of your charity pray for the souls of Mr. and Mrs. The occasion

Year after year the memory of that conservation was renewed in the prayers and cormonies of Holy Mass and of the Divine Office recited."

was dedicated to the memory of the Very Rev William O'Reilly V. G. According to tradition 1' was built for \$500.
The West Tide alter of the
