We are entering Communist domination.

we did not reply to some objections

The Church has been accused of having defended herself against 2 people's movement, transforming her churches into fortresses, and thus leading to the massere of clergy and the ruin of the churches.

The attack on the churches was sudden, almost almultaneous in all regions, and coincided with the butchery of priests. The churches were burned because they were the houses of God and the clergy were sacrificed because they were the Ministers of God. The proofs are
