There is a distinct odor of jourmalistic "sour grapes" in Time's treatment of the Black case. First of all. Time brands the startling revelation that an associate justice of the Umited States Supreme Court is a member of the Ku Klux Klan as a mere

Far from being a "political note," the Black-Klan issue is one of tolerance or rather intolerance. Such an assue is far than one bounded by the nar-rew confines of party politics.

When a news event concerns foreign-borzi citizen of the United. States, it ceases to be a "political note" regardless of what Time might think

The writer of the Time article must have become bored near the end of the first paragraph. With an editorial yawn be writes Lastweek, however, after all
